Dear Mr. Steiner:

As you requested, I enclose the public policy statement on Agency relations with American journalists, issued by Mr. George Bush in his capacity as DCI on 11 February 1976. I should add that this policy remains in full effect and that as of 1 January 1977 all relationships with individuals in these groups have been brought into conformity with this policy.

I hope you felt our discussion this morning was helpful to you in defining the problem. Certainly we appreciated your frank and friendly approach. I look forward to hearing from you when you have had a chance to discuss the matter with your colleagues.

Sincerely yours,

Cord Meyer, Jr.
